

Apex Festival Driving Directions

Follow the directions to facilitate traffic flow into and out of the setup area and to avoid long backups.

Turn only onto the streets specified in your set of directions, listed below.

STEP 1: Determine your booth number, and view appropriate column.

STEP 2: Determine which major route and from which direction is best for you to reach Apex (the box next to that major route, under your booth # column is your driving directions into festival).

STEP 3: Once you reach your appropriate festival entrance, you will come to barricades. Stop, speak with officer or volunteer and you will be directed to your space.
